THERE'S NEVER BEEN A BETTER OPPORTUNITY TO BECOME A COTA

The training isn't just world-class; it's free to qualified employees. At Aegis Therapies®, we've always believed in investing in our own people. That's why we've partnered with Concorde Career College to create an Associate's Degree Program to help our CNAs, Rehab Aides and other ambitious employees take the next step in their COTA* education and careers.

This 20-month Associate's Degree Program begins in December 2014 with five months of convenient online training and continues with hands-on instruction at local facilities and the Fresno Training Center.

There are only 12 openings available, so if you're interested, email Jennifer McClelland JMcClelland2@concorde.edu by June 16, 2014.
