SAFETY AND LOSS CONTROL

Congratulations to the employees of the Golden LivingCenters who will celebrate earning the Second Quarter 2014 Safety Incentive Program (SIP) award. **(See list.)**

Preventing injuries is the key to our safety program along with new compliance requirements. Following our lift program to eliminate transfer injuries, as well as simply paying attention to prevent slips, trips, and falls are two key areas of the program. Using modified duty and effective claims management to minimize the cost if an injury occurs is secondary. New as of July 2013 are requirements that validate OSHA compliance programs.

For the Second Quarter 2014 SIP, facilities have been reminded to complete the one page emergency action guide.

Please proudly share your winning strategies with others in your team. **If your facility did not earn the incentive, discuss at your next Safety Committee meeting which programs need to be reviewed and revamped to enable you to earn the SIP in the future.**

Award Money Allocated

Each winning LivingCenter is allocated \$975 to spend in recognition of its safety accomplishments. (NO check is arriving in the mail!) The Safety Committee and management team should determine the best recognition program (prizes, party, etc.).

Document your decision and feedback in your Safety Committee minutes. Put up a banner or poster if you hold an event to signify that the funding was provided by the Safety Committee due to the great, safe work practices of the employees.

Deadlines

Remember that the money must be spent **within 30 days** of the award notification. **For the second**

quarter 2014 award, the safety recognition celebration must be completed by Friday, September 19, 2014. (It is better to spend the money sooner to reward your employees.) Spend your award NOW and continue to remind staff to be safe in upcoming months. The **documentation of how the money was spent must be submitted by or before, Friday, September 26, 2014**, in order for the LivingCenter expenditures to be transferred to the appropriate accounts.

SIP Award Documents and Process

Please download these **documents** found on the Safety and Loss Control Intranet site under Safety and Loss Control Programs, then Safety Incentive Program. (Please follow instructions and keep copies for future reference.)

** SIP – Incentive Guidelines explains documentation and reporting requirements

SIP – Information Sheet – July 2013

SIP – Associate Award Acknowledgement Form must be completed and forwarded

along with the documentation log

SIP – Gift Card/Gift Certificates under \$25
