

Receive Your W-2 Statement Early

Want to receive your W-2 statement early to file your tax refund or would you prefer to access your W-2 online at your convenience?

Golden Living is taking enrollments for electronic W-2 Statements. Note: If you have already enrolled in a prior year, you do not need to enroll again.

Enroll as soon as possible:

1. Log in to PeopleSoft
2. Navigate to: Self-Service > Employee > Tasks > W-2 Electronic Consent

In January, Golden Living will send you an email notification letting you know your online W-2 is available. To view and access your W-2, you will simply log-on to www.Globalcashcard.com. The same place you go to view and access your online paystub.
