

Know Your Numbers Health Screening Participation Guidelines

First Time & Repeat Participants

You are a First Time Participant if you are a new Golden Health Plan enrollee or you've been enrolled in the plan but never participated.

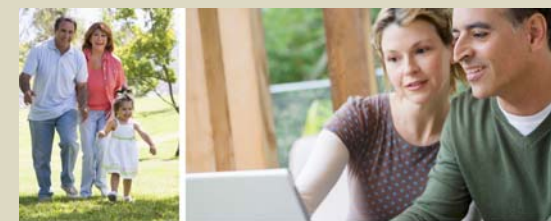

The sooner you get your KYN screening in 2015, the sooner you can upgrade to lower coinsurance plan and start saving money on your health care expenses this year.

You are a Repeat Participant if you participated in the KYN screening in 2014. Your 2015 Health Screening will determine your eligibility for lower coinsurance coverage in 2016.

Ways to Get Screened

- Schedule an appointment for your annual wellness visit with your network healthcare provider and take the Wellness Screening Results Form (WSRF) with you, or
